# ROAD PRESENCE REDEFINED

Since its inception in 2013, Urban has always followed its mantra of redefining road presence for each and every vehicle we create. Our signature 'OEM+' design language and quality of finish that is second to none have ensured that we have developed a growing clientele of the most discerning automotive customers across the globe.

A DISTINCTIVE  
AERO KIT IN FULL  
VISUAL CARBON

After developing styling packages for both the RS4 and RS6 - we've gone bigger and braver with the RSQ8, incorporating more aggressively contoured front vent eyebrow blades, two-piece upper and lower spoiler assembly, aggressive carbon fibre front apron, side sills and rear canards. All of which are hand-made in visual carbon fibre by us in the UK to the highest standards.

## EXTERIOR STYLING

- Front bumper apron in visual carbon fibre
- Front vent eyebrow blades in visual carbon fibre
- Lower side sill extensions in visual carbon fibre
- Upper rear wing assembly in visual carbon fibre
- Lower deck lid spoiler in visual carbon fibre
- Rear canards in visual carbon fibre

## BRANDING PACK

- Choice of URBAN tablet-badges to front bumper apron and side sill extensions

## WHEELS & TYRES

- 23" hybrid-forged alloy wheels
- 24" hybrid-forged alloy wheels
- custom forged wheels

\* The wheels shown in the picture are 24" HF-5 wheels.
